e-STUDIO170F

Your Productivity Partner

e-STUDIO170F

The e-STUDIO170F is the small-to-medium size office's perfect productivity partner. It's a mid-volume, business-grade Super G3 fax with all the latest features, a fast, 17 page-per-minute local printer that delivers crisp, 600 x 600 dpi output, a 3 second-per-page local scanner capable of capturing fine details, and a 17 page-per-minute convenience copier. In short, it's four essential business productivity tools in one small, affordable package.

ISO 9000 and ISO 14000 CERTIFICATION

To date, four MFP sales affiliates and four Toshiba TEC manufacturing facilities where MFPs accessories, supplies and parts are produced have received ISO 9000 series certification, while one copier sales affiliate and four Toshiba TEC manufacturing facilities have received ISO 14000 series certification – even more reasons to count on Toshiba.

As an ENERGY STAR Partner TOSHIBA TEC CORPORATION has determined that this multifunction device meets the ENERGY STAR guidelines for energy efficiency.

Design and specifications subject to change without notice. For best results and reliable performance, always use supplies manufactured or designated by Toshiba. Approximate speeds based on ITU Test Chart #1. Microsoft®, Windows®, and Windows® NT are registered trademarks of Microsoft Corporation in the United States and/or other countries.
