

Lucille seat

The perfect sidekick

To enliven any environment

Lucille brings bounce and flexibility to your sit that will help you think big and push innovative ideas. This versatile seat is perfect for collaborating with your colleagues and provides a fun break from sitting in a traditional chair. Also great for reception areas, Lucille delivers a sense of humor while you wait.

Lucille is available in four stretch mesh colors which exude a whimsical quality. Designed to be the “go to” seat when you need to rejuvenate, or the “idea” seat when you need to bounce a few ideas around, Lucille will bring about the best punch line to end your office day.

Four Mesh Color Options

Available in orange, green, dark blue, or black in a stretch mesh fabric.

Swivel Base

The black swivel base is standard and allows you to rotate 360 degrees for uninterrupted communication. A hand pump is housed in the base to enable you to easily alter the pressure of the seat.

Students with ADHD

Students using ball chairs were able to sit still, focus and write more words clearly. 2003, *American Journal of Occupational Therapy*, September/October 2003, Vol. 57, 534-541. doi 10.5014/ajot.57.5.534

What are the benefits of having a ball chair?

- Engages the mind by stimulating both sides of the brain to keep focus
- Helps Attention-Challenged individuals by allowing them to bounce or fidget which aids in concentration
- Builds better posture by forcing the individual to sit up straight and pay attention
